Dear Parents/ Carers,

As we close for the half term holiday, yet again I would like to express how impressed we have been with your children's attitude to learning this term. The work they have produced on the 'Merchant of Venice' really has been exceptional.

Thank you to those parents who attended yesterday's Singing Square. The children entertained us with songs and poetry of a very high quality.

Sporting update

Our children have had some fabulous opportunities this half term in P.E, after and before school clubs and competing in competitions. During curriculum P.E, Reception, Year 1 and 2 have experienced tennis coaching from Northampton Lawn Tennis Club learning skills associated with the game. Y5 and 6 have enjoyed learning new Lacrosse skills from a specialised coach and Y 3 and 4 have been focussed on Gymnastics. Our varied extra-curricular clubs have appealed to many different children, as this half term we have offered Kurling and Multiskills in addition to our more traditional clubs such as Tag Rugby, Football and Netball.

We have entered two gymnastic competitions in which both our Y3/4 and Y5/6 squads performed confidently, knowing their routines to perfection following many weeks of practice! Well done to you all, you represented our school with pride, and we are very proud of you!

We are delighted with these exciting opportunities we have been able to give to our children and in turn they have embraced the variety of sports on offer. We are looking forward to next term during which we will continue to offer exciting sports for all our children to enjoy!
